40 Let's watch TV!

Let's watch TV!

*There's so much to see,
So come and watch with me.*

There's so much to see on TV.
There's a cookery programme at half past three.
After the news there's a funny cartoon,
So hurry up! It's starting soon.

Chorus

There's a quiz show on at half past four.
Then a documentary on dinosaurs.
What to watch? I just don't know!
A music programme or a talent show?

Let's watch TV!
There's so much to see,
So come and watch with me.

TV's always lots of fun.
There's something there for everyone.
There's a scary film on late tonight,
So don't turn off the light!

Chorus

41 Junior Chef

Ready, steady, GO!

It's a quarter to two. There's lots to do.
Jake's making cake and salad too.

It's a quarter past two. Look at Drew!

He's making a delicious stew!

It's a quarter to three. "Oh, can you see?
My stew is burnt. Can you help me?"

It's a quarter past four. Jake's cake's on the floor.
Oh, no! He has to make some more.

Too late! Too late! Put the food on the plate.
Look at the clock. EVERYONE... STOP!

42 Working hard for me and you

So many people

Working hard for me and you.

So many jobs

That you can do.

You can be a builder,
A nurse or a vet.
You can be a firefighter
Or an architect.

Chorus

You can be a singer on TV,
A pilot or a farmer.
So many things that you can be.

Look at all the people
Working hard for me and you.
So many jobs,
Which one's for you?

43 He's a builder

He's a builder.

His name's Pat.
He fixes roofs and he wears a hat.

She's a nurse.
Her uniform's blue.
She looks after me and you.

She's a vet.
Her coat is white.

She makes sure your pet's all right.

He's a firefighter.

His engine's red.

He wears a helmet on his head.

44 Dad is going shopping

Dad is going shopping.

He's taking Fred and Jake.

They're going to the baker's

To get some bread and cake.

Next, the supermarket

To get some milk and cheese.

Then the greengrocer's

For broccoli and peas.

There's a big department store

With everything we need

A café and a bookshop

With lots of books to read

Oh look, a newsagent's,

And there's a clothes shop too.

We like going shopping.

How about you?

45 Come to the department store

There's such a lot to see.

Different things on every floor

For all the family.

Ground floor. Cameras and TVs

Doors closing! Going up!

First floor. Books and DVDs

Doors closing! Going up!

Second floor. Kitchenware and toys.

Doors closing! Going up!

Third floor. Clothes for girls and boys.

46 The school play

Alice, Rosie, Fred and Jake

Are in the school play.
Come and get your tickets!
It starts today.

Fred is a detective
With a beard, glasses and a hat.
Rosie is a woman
With curly hair and a cat.

Alice is her daughter.
She's got freckles and her hair is fair.
Jake is a gardener
With a moustache and straight, dark hair.

The play's called *The Detective*
And it starts today.
So tell all your friends
To come and see our play!

47 That's just how you feel!

When I'm angry and I don't know why,
When I'm nervous or when I'm shy,
When I'm sad and I want to cry,
That's just how I feel.

When I'm excited and when I'm glad,
When I'm calm, I don't feel sad,
When I'm happy and nothing's bad,
That's just how I feel.

Feelings can be good or bad,
Some are happy, some are sad.
Happy, sad, good or bad,
That's just how you feel.

48 Fun days out!

Fun days out for everyone,

There's such a lot to see.
I love going out
With my school or family.

There's a castle and a city farm,
I go there with my school.
A stadium and a funfair,
I think they're really cool!

Jake likes the art gallery,
the theatre and the water park.
But I like the aquarium,
Look at all the scary sharks!

There's really such a lot to see
and such a lot to do.

We love going out.
How about you?

49 Here's our photo!

Here's our photo, can you see?

My friend Star is next to me.
Jake's between Adele and Billy.
Look at Fred! He's being silly.

Where is Gus? Can you see?
He's there, in front of Emily.
And look, there's Tom behind Jay.
What a fantastic day!

50 We're going on holiday

We're going on holiday to Techie Moon,

The spaceship's ready

And we're leaving soon.

Fasten your seatbelt. It's time to go.

Zoom, zoom, zoom to the moon!

Floating around in zero gravity,

Look through the window,

What can you see?

Asteroids, planets and satellites,

Comets and stars that shine so bright.

We're going into space,

It's a fascinating place.

Have you got your ticket?

Have you got your case?

We want to meet an alien very soon.

Zoom, zoom, zoom to the moon!
